

**EXAMINATION CONTENT AND IMPORTANT ADMINISTRATION INSTRUCTIONS**

Please visit your official examination provider website OR [www.nicesting.org](http://www.nicesting.org), for the most current bulletin prior to testing.

The NIC National Instructor Practical Examination is the licensure examination for Instructors, which is developed by the National-Interstate Council of State Boards of Cosmetology (NIC).

This bulletin contains IMPORTANT INFORMATION regarding the NIC National Instructor Practical Examination content and administration for Instructor core services and additional sections.

For each NIC National Practical Examination, there are multiple parts to every Candidate Information Bulletin (CIB) stored as separate documents. Go to [www.nicesting.org](http://www.nicesting.org) for a current downloadable copy of each of the following:

- **Important Instructions and Examination Core Domain Content**– This contains information and guidelines related to administration of the Practical examination and information about the scope of content covered in the core sections of the Practical examination.
- **Additional Services** – These provide information about additional sections offered by NIC for examination. Check with your State regulatory agency or examination administration vendor to determine which of these sections your State requires as part of their Practical examination.
- **References** – This is a list of references used to develop and support the content covered in NIC examinations. The references will always be the same for both Theory and Practical examinations.

**BE CERTAIN TO DOWNLOAD AND/OR PRINT AND REVIEW ALL DOCUMENTS THAT MAKE UP THE NIC EXAMINATION CIB.**

**PLEASE REVIEW ALL INFORMATION CAREFULLY!**

**IMPORTANT INSTRUCTIONS**

- Do not leave the examination area without permission. Permission must be obtained to leave the examination area for any reason, including restroom usage or at the completion of the examination. **Picture ID is required for re-entry into the examination.**
- Candidates are required to bring a supply kit for their own use.
  - It is the candidate's responsibility to make certain they have a sufficient quantity of supplies that have been properly cleaned and disinfected and that implements are in proper working order.
  - The kit will be used during the examination as dry storage and is considered part of the work area. The kit must be kept closed (e.g., completely zipped or lid tightly closed) except when removing materials for a particular service.
  - Candidates may remove items, supplies, etc., from the kit at any time, however nothing may be returned to the kit.
  - All examinations are administered in a testing environment.
  - Candidates are evaluated at all times. Continue working until you have completed the entire section or time has elapsed.
- Due to standardization of the NIC National Examinations. Proctors and examiners are required to adhere to the following standards:
  - The verbal instructions will be read twice for each section of the examination.
  - With the exception of verbal instructions, the proctors are not allowed to communicate with candidates.

- Examiners are not allowed to speak with candidates.
- Candidates requesting information during the examination will be told one of the following statements:
  - “Do the best you can with what you have available.”
  - “Do as you were taught.”
- If a candidate experiences an emergency situation, please notify the proctor by raising your hand.
- Candidates will be given time to set up the universal (also known as general) supplies they will use throughout the examination.
  - Each section of the examination has a maximum time allowance, with the exception of those specified as untimed sections.
  - Once a candidate has completed all tasks in the section, please step back or turn the hand toward the examiner (in the case of nail sections) to indicate they have finished.
  - In the event that all candidates complete a section before the time has elapsed, the examiners will proceed to the next section of the examination.
  - When the timer goes off, all candidates must stop working and step back or turn the hand toward the examiner (in the case of nail services) IMMEDIATELY.
- During all phases of the examination, candidates must follow all appropriate public protection and infection control procedures and maintain a safe work area.
  - In the event of a blood exposure incident, candidates will be expected to follow the NIC Blood Exposure Procedures.

**Failure to do so may result in your dismissal from the examination.**

- *Be sure to contact your examination provider to obtain the most current version of, and any addendums, to the NIC Blood Exposure Procedure, OR go to [www.nictesting.org](http://www.nictesting.org) for a current downloadable copy.*
- **If a candidate does not follow infection control procedures or allows the work area to become and remain unsafe, the result may be a failing score for the examination.**
- The following provides examples of materials and actions that are prohibited during the examination administration:
  - Possession of cellular phones, pagers, tablets, computers, projectors, cameras, or any other electronic or recording devices, printed materials, or handwritten notes.
  - Purses, bags, coats, hats, and any other personal items not directly needed to complete the examination, are not allowed.
  - Exhibiting disruptive behavior.
  - Communicating to other candidates or any examiner.
    - *The above referenced items or actions are not an exhaustive list. Failure to comply with any of these conditions or exhibiting ANY behavior that suggests an effort to cheat will result in the immediate dismissal from the examination and the candidate’s actions reported to the proper authorities.*
- **All supplies must be labeled in English.** When an original manufacturer's label is required, there can be NO handwritten or any other type of labeling. Original manufacturers’ labels must have English and may also include other languages. All non-manufacturers created labels must be only in English.
  - Original manufacturer’s labels are *required* for all disinfectants and hand sanitizers.
  - An EPA-registered, hospital-grade disinfectant that demonstrates bactericidal, fungicidal, and virucidal properties must be used. Please refer to the “*Suggested Examination Supplies*” section to see any further state specific requirements for supplies and products.
  - Simulated products are *not* allowed for disinfectants and hand sanitizers.
  - **NO AEROSOLS** are allowed in the testing environment

- Candidates are to perform all tasks, utilizing products and supplies, and as they were taught. There is however, a section titled “*Suggested Examination Supplies*” provided following the “Content Domains” section of this bulletin for items that a candidate may *possibly* utilize in a section.

**SPECIAL ATTENTION!**

The following information is vital and specific to the  
National Instructor Practical Examination:

---
