

NATIONAL BARBER STYLING
PRACTICAL EXAMINATION

CANDIDATE INFORMATION BULLETIN

Please visit your examination provider's website for the most current bulletin prior to testing.

The National Barber Styling Practical Examination is the licensure examination for Barber Stylists, which is developed by the National-Interstate Council of State Boards of Cosmetology (NIC).

This bulletin contains IMPORTANT INFORMATION regarding the NIC National Barber Styling Practical Examination content and administration.

PLEASE REVIEW ALL INFORMATION CAREFULLY!

IMPORTANT INSTRUCTIONS

- Do not leave the examination area without permission. Permission must be obtained to leave the examination area for any reason, including restroom usage or at the completion of the examination. Picture ID is required for re-entry into examination.
- Candidates are required to bring a kit for their own use.
 - It is the candidate's responsibility to make certain they have a sufficient quantity of supplies that have been properly cleaned and disinfected and that implements are in proper working order.
 - The kit will be used during the examination as dry storage and is considered part of the work area. The kit must be kept closed (e.g., completely zipped or lid tightly closed) except when removing materials for a particular service.
 - Candidates may remove items, supplies, etc., from the kit at any time, however nothing may be returned to the kit.
 - All examinations are administered in a testing environment. Candidates should bring a container of water if needed for any section of the examination. At the conclusion of the examination, do NOT dispose of waste materials, chemicals, products, or water in the trash receptacles or restrooms.
- Candidates are evaluated at all times. Continue working until you have completed the entire section or time has elapsed.
- The verbal instructions will be read twice for each section of the examination.
 - With the exception of verbal instructions, the proctors and examiners are not allowed to communicate with candidates.
 - If you have an emergency situation, please notify the proctor.
- Candidates will be given time to set up the universal (also known as general) supplies that they will use for the examination.
- Each section of the examination has a maximum time allowance, except for those specified as untimed sections.
 - Once you have completed all tasks in the section please step back or turn the hand toward the examiner (in the case of nail services) to indicate that you are finished.
 - In the event that all candidates complete the section before the time has elapsed, the examiners will proceed to the next section of the examination.
 - If the timer goes off, you must stop working and step back or turn the hand toward the examiner (in the case of nail services).

- During all phases of the examination, candidates must follow all appropriate public protection and infection control procedures and maintain a safe work area.
 - In the event of a blood exposure, candidates will be expected to follow the NIC Health and Safety Standards. Failure to do so may result in your dismissal from the examination.
 - *Be sure to contact your examination provider to obtain the most current version of, and any addendums, to the NIC Health and Safety standards.*
 - **If a candidate does not follow infection control procedures or allows the work area to become and remain unsafe, the result may be a failing score for the examination.**
- The following provides examples of materials and actions that are prohibited during the examination administration:
 - Possession of cellular phones, pagers, tablets, computers, projectors, cameras, or any other electronic or recording devices, printed materials, or handwritten notes.
 - Exhibiting disruptive behavior.
 - Communicating to other candidates or any examiner.
 - *The above referenced items or actions are not an exhaustive list. Failure to comply with any of these conditions or exhibiting ANY behavior that suggests an effort to cheat will result in your immediate dismissal from the examination and your actions reported to the proper authorities.*
- **All supplies must be labeled in English.** When an original manufacturer's label is required, there can be NO handwritten or any other type of labeling. Original manufacturers' labels must have English and may also include other languages. All non-manufacturer, created labels must be English only.
 - Original manufacturer's labels are required for certain products such as disinfectants and hand sanitizers.
 - An EPA-registered, hospital-grade disinfectant that demonstrates bactericidal, fungicidal, and virucidal properties must be used. Please refer to the "Suggested Examination Supplies" section to see specific requirements for supplies and products.
 - Simulated products are NOT allowed for disinfectants and hand sanitizers.
 - No aerosols are allowed in the testing environment.
 - There is a section titled "Suggested Examination Supplies" provided following the "Content Domains" section of this bulletin.

MODEL OR MANNEQUIN(S)

Depending on the state, candidates will either use a mannequin hand, mannequin head, or live model for the examination.

*** Please refer to State guidelines.**

If your state requires that you use a mannequin head(s) or hand(s):

If you are required to use a mannequin head(s), it is the candidate's responsibility to come prepared for the examination. **Mannequin heads that are premarked or presectioned are NOT allowed for any part of the practical examination.**

If you are required to use a mannequin hand(s), it is the candidate's responsibility to come prepared for the examination. **The mannequin hand must be an entire hand and cannot have removable digits.**

Mannequin heads and hands must be approved by the examination provider prior to admittance into examination.

***If your state requires that you use a live model:**

- Models must be at least 15 years of age and cannot be licensed or a student studying in this field.
- Any individual who has received training for or participated in the development or administration of any cosmetology, barbering, or related professions is prohibited from serving as a model.
- Models must be present with the candidate at the beginning of the practical examination.
- The model must present a valid driver’s license or State ID card for admittance to the examination.
- The model must be appropriate for examination purposes.
- The model must agree to submit to all areas/sections of the practical examination.
- Models are not permitted to communicate with or assist the candidate during the examination. The models may not communicate with the examiner or proctor during the examination
